[3 Minute Thesis \(3MT\) Competition](#)

Friday November 17, 1:30pm at EMU Crater Lake Rooms

The 3MT competition gives graduate students no more than 3 minutes (and one slide) to present their research. This cultivates students' capacity to effectively explain their research concisely in language appropriate to a non-specialist audience. To participate, [please submit a title and a 150-word abstract describing your research.](#)

Competitors can expect to receive a feedback package after the event containing including a video clip of their presentation and the judges' scoresheet/comments.
