DuckDocs (OnBase) Graduate Employee PRF Process User Guide

The purpose of this document is to describe how to use the Graduate Employee (GE) Payroll Request Form (PRF) and Workflow in the OnBase web client. This guide provides an overview of the features and functionality and details how to gain access to the form and workflow and how to request help. Note: The GE PRF is used to submit payroll/hire information for UO Graduate Employees.

Gaining Access and Setting User Permissions

In order to get set up for the GE PRF Workflow, you must (1) have access to DuckDocs and (2) have user permissions set.

- To gain access to DuckDocs, you must first submit a Business Application Request in the UO Service Portal.
- Be sure to enter DuckDocs in the Access requested field and a Dean or Department Head name in the Who needs to approve this request? field.
- To have user permissions set, send an email to graduatestudies@uoregon.edu indicating one of the following:
  - Submitter
  - Approver – indicate approver org # (all approvers are also granted submitter rights)
  - Reviewer Only (See where submitted PRFs are in the process and/or or view archived PRFs)
- Either on-campus internet connection or UO VPN is required to login to the application.
Requesting Help
To request technical support for this process, please submit a UO Service Portal ticket here: DuckDocs (OnBase) Support Request. You are encouraged to submit a ticket if you feel you have identified an issue with the application.

For hiring policy questions, please reach out to graduatestudies@uoregon.edu.

GE PRF Workflow at a Glance
The BA – Graduate Employee PRF workflow in OnBase contains a number of Review queues (Department, Graduate Studies and Payroll) as well as a Submission Revision queue accessible by the form submitter. There are also multiple internal processing and error queues. The user action and status queues and their purposes are listed below.

Submitting the GE PRF Form
Accessing the Form
- Navigate to https://duckdocs.uoregon.edu and click OnBase Web Client. Login with your Duck ID credentials.
- Click the △ icon on the top left and choose New Form.
- Select Graduate Employee Payroll Request Form under Business Affairs.
- You may also access the form at this link.
- Note: This form is not designed to be printed. If you need to print a copy of the form for your records, it is advised that you navigate to the submitted form via Document Retrieval (see Viewing PRFs in the System for instructions), take a screenshot of the form and print the image to maintain formatting.
Completing the Form

Step One: Identification

- Enter the UOID of the Graduate Employee and press Tab to autofill their information.
- Check New Graduate Employee or Law Student if applicable.
- Enter a value for Office Location, if known.
- You may use the Reset Section button if you need to change the GE’s UOID and/or other information.

Step Two: Purpose

See Appointment Types chart on pg. 10 for more information about each appointment type.

Create New Appointment
If the purpose of filling out this form is to create a new appointment for a GE, select the type of new appointment (i.e. Additional Appointment)

Revise Existing Appointment
If the purpose of filling out this form is to revise an existing appointment for a GE, select Revise Existing Appointment.

Please Note: A Current Appointment is one that has already started on the date you fill out the form and has not yet ended.
To look up a **Current Appointment in Banner** (with the goal of using this form to revise or terminate the appointment), click the **Current Appointment Lookup for GE** button.

- If the GE has exactly one current appointment in Banner, a note will be displayed and job information will be added automatically to the Job Detail section.

- If the GE has **more than one current appointment** in Banner, a **pop-up will appear with the ability to select the appropriate appointment for revision**. Once selected, job information will be added automatically to the Job Detail section.

*If no current appointment data is returned*, you will need to enter the Job Detail data manually.

Finally, you are **required to check boxes next to items you would like changed** (i.e. Level Change). This selection will add required fields depending on the selection.

**Terminate Appointment**

If the purpose of filling out this form is to submit a termination, select the **Terminate Appointment** option.
The Other Appt. Dates fields will appear in the Job Detail section and the End date is required. The End date is the job termination date. Be sure to add clarifying information in the Submitter Remarks field as needed.

Step Three: Job Detail

- Enter a value for Time Entry Org and press Tab. Department will autofill.
- Select Appointment Dates from the list, or choose Other and add the dates in the fields that appear.
  - See Appointment Dates chart on pg. 11 for more information about which appointment dates to select.
- Enter applicable Level.
  - See GE Levels chart on pg. 11 for definitions and required support documentation.
- Base Rate will be calculated after Appointment Dates and Level are entered. (Note: If the Base Rate field does not autofill, click Calculate to help it along.)
  - Confirm the base rate is correct when it is calculated. Notify graduatestudies@uoregon.edu if you believe there is an error. The base rate is the full time (1.0 FTE) 9 month salary. The GE’s salary will be calculated based on the GE’s FTE and the department’s base rate.
- Select a Position (teaching, research or admin) and Suffix if not already filled in. (Note: The suffix is used if the student has multiple appointments - the first appointment is 00, the second is 01, the third is 02).
Select all boxes that apply including dependent fields.

1st Term Level II: If the appointment is the first term the student is being hired at Level II, check this box and choose the applicable reason.

1st Term Level III: If the appointment is the first term the student is being hired at Level III, check this box.

Level III Funded on Grant: If the GE is level III and being paid on a grant, check this box in order to receive Level III grant support.

Cross College: Check this box if hiring a student from another school/college (i.e. CAS dept hires a COE student) and enter the student’s home school/college. Note: More information about Cross College hires is available at the Graduate Studies website.

Option B (Summer Only): Check this box if you are hiring the student as a summer Option B hire.

FTE / Monthly Salary
Enter FTE values from 0.0 to 1.0 for each term. In Fall, Winter and Spring Terms, FTE cannot exceed .49 in each term.

This section is not required if the position is Summer Teaching or One Time Payment.

Enter 0 for any term where the student is not employed in this position.
Summer Teaching

This section is required if Summer Teaching is selected as a position.

Enter all required values and click Calculate Pay.

Attachments (If Applicable)

Add attachments here as needed.

When you click Attach, select New File to upload a document or Existing File to attach a file you have access to that is stored in OnBase.

Step Five: Submission Information

Submitter Name, Email Address, and Date Submitted are entered automatically.

Enter clarifying remarks in Submitter Remarks.

Departmental Representative

If you would like a name other than your own (found in the Submitter Name field) to appear on the GE’s Notice of Appointment, enter the name and email address here.

Click Submit to submit the PRF for review.
Department Approval

If you are a department approver, you will receive an email from DuckDocs (duckdocs@uoregon.edu) with the following subject if a PRF is awaiting review by your department.

DuckDocs GE PRF: Department Approval Needed

A link to the document will be included in the message. Once you have reviewed the PRF information for accuracy, you can choose to either click Approved – Route to Grad Studies or Rejected – Route to Submission Revision. If rejected, you will be asked to enter a reason that will be presented to the submitter via email and within the workflow.

Submission Revision

If an item is sent back to you for revision, you will receive an email from DuckDocs (duckdocs@uoregon.edu) with the following subject if your submission was rejected.

DuckDocs GE PRF: Revision Needed

A link to the document will be included in the message. Review the reason it was sent back (you can view this in the email or by clicking View Rejection Reason), make any necessary adjustments to the form and click Save. You can then choose to either click Corrected – Resubmit for Approval, or Cancel Revision (this will move the item to the Canceled queue and it will not be subject to further review).

If you are presented with the following message, it means that changes were made to the form but the form was not saved. Click Cancel to return to the form and scroll down and click Save. To navigate away without saving changes, click Continue.

Checking the Status of PRFs
You may check the status of PRFs using the Reporting tool in OnBase or by retrieving individual documents and viewing their keywords.

Reporting
You may access a report of all items currently in the PRF Workflow by clicking then Gallery under Reporting Dashboards. Select the item GS – Graduate Employee PRF – Workflow Inbox to view all items in workflow.

Tips for Using the Report
- You may Sort each column by clicking the column header.
- You may Filter by first right-clicking on the column header and choosing Filter Row, then entering your search term in the applicable columns and clicking enter.
- Document Date is the time the PRF was submitted to OnBase.
- Content ID is the unique ID of the document. If you ever need to refer to an in-process PRF, for instance, if you need to make a revision and want to note it in the Submitter Remarks, you can refer to it by this number.
- Entry Time is the time the PRF entered the queue listed in the Queue Name column.
- Queue Name will inform the status of the Workflow processing.
  - Department Review: Awaiting Department review
  - Graduate Studies Review: Awaiting Graduate Studies review
  - Payroll Review - Initial: Awaiting Payroll review / processing
  - Payroll Review - Additional Info Needed: Awaiting additional information before payroll processing can be completed
  - Payroll Review - Ready for Banner Update: Job data ready to be added in Banner
  - Complete: Processing is complete and the job data has been added in Banner.
  - Canceled: The PRF submission was canceled by the submitter.
- You may Export the filtered report data by clicking the Export Data button at the top-right.

Viewing PRFs in the System

Document Retrieval
You may want to retrieve a PRF document in the system for reference.

Navigate to Document Retrieval by clicking then Document Retrieval. Next, select the document type Graduate Employee PRF – BA. You will then be able to narrow the results using a Document Date range and by specifying keyword values and clicking Search. By right-clicking a document and choosing Keywords, you can view many data elements such as whether the GE has accepted their Notice of Appointment. As previously noted, if you need to print a copy of the form for your records, it is advised that you take a screenshot of the form and print the image to maintain formatting.

**Terminate Appointment**

- Use this ePRF to cancel a GE appointment if there is a termination or resignation
  - It is helpful to add a note in the remarks section to specify the last day worked.
  - Please email Keri Bartow, kbartow1@uoregon.edu, and Chris Jones, cjones14@uoregon.edu, if you are submitting a termination. This helps Keri and Chris to prioritize processing of the termination so that the GE is not overpaid.
