Master's students may transfer up to 15 credits of graduate coursework into their program. An official transcript of the courses listed must accompany this form if work was completed at another institution. No formal transfer of credit is done for Doctoral programs. Doctoral students may contact their department representatives for information on course waivers in cases of overlapping coursework. **Fill in the form on-screen. Handwritten forms will not be accepted.**

Please list the requested transfer courses in the table below:
